Sir,

With reference to Government Order No. 2372-3
C.B. 224-20-6
dated 13-6-21, granting 2 months' privilege leave
preparatory to retirement to Mr. V. Abboy Naidu with effect
from the date of his handing over charge and directing
Mr. G. S. David to be in charge of the Medical Stores in
addition to the Lunatic Asylum, I have the honor to state
that arrangements have to be made for relieving Mr. Abboy
Naidu of the Medical Charge of the Central Jail. As Mr. G
S. David will have charge of two important institutions,
which will give him full work he cannot be expected to do
justice to a third charge. I therefore recommend that
Mr. S. Narayana Rao the only available Senior Officer, who
could conveniently and efficiently do the work may be post-
ed to the Medical Charge of the Central Jail in addition
to his present duties.

I request the favor of very early orders as the
examination of stock has been very nearly finished and
Mr. Abboy Naidu will expect to be relieved at any time.

I have the honor to be,
Sir,
Your most obedient servant,

S. Narayana Rao

L-3-8-21

S i r,

With reference to your letter No. L 270 -2-21-2, dated 15-7-21, requesting me to submit fresh proposals in the matter of posting a suitable officer to the Medical charge of the Central Jail, Bangalore, I have the honor to state that the nearest officer, Mr. David, is in charge of two important institutions, the Medical Stores and the Lunatic Asylum, in the latter of which his morning time will be fully occupied, since the case and treatment of lunatics do not merely consist in feeding them timely and then looking them up but each case has to be studied and remedy applied to suit the defect (sometimes constitutional) that caused the insanity, moreover improvements are being introduced in the administration of the Asylum which require the whole attention of the Superintendent. The officer in charge of the Epidemic Diseases Hospital has to finish his work in that institution and attend the Victoria Hospital. He is also lecturer in Physiology, in the Medical School and in charge of the District Medical and Sanitary Office, Bangalore. The Surgeon and Assistant Surgeons attached to the Victoria and the Minto Ophthalmic Hospitals have full work in those institutions, in the wards, the D.P. Departments and the operation theatre and cannot be spared for the Jail work.

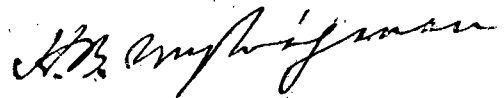

In these circumstances I consulted the Chief Commandant, and with his acquiescence submitted my recommendation in favor of Mr. S. Narayana Rao, who was the only officer that could, in my opinion, spare a couple of hours in the mornings after finishing his regimental duties. On receipt of your letter under reply I again consulted the Chief Commandant in writing and he states that "a whole time Medical Officer is quite necessary for the Imperial Service Lancers" and that he has no objection to Mr. Narayana Rao being made Medical Officer Central Jail for a short time only.

If, therefore, the Government think that the present arrangement cannot be continued, the only other alternative I could suggest is to offer the place to a retired Medical Officer temporarily for one year. It will not do to post a junior officer to the place since he will have to be occasionally in charge of the duties of the Superintendent during the latter's absence on short leave. Should Government be pleased to approve of this suggestion I recommend that Mr. V. Abboy Naidu, who ^{was} in Medical charge of the Jail prior to his retirement may be reappointed ^{permanently} to the place on an allowance of Rs. 50/- for one year. I request the favor of early orders.

I have the honor to be,

S i r,

our most obedient servant,

OFFG. SENIOR SURGEON.
